Electronic Enclosures & Consoles

www.emcorenclosures.com

Modular Equipment and Network Enclosures, Modular Consoles / Security Consoles, EMI/RFI Shielded, Bellcore Qualified Seismic Racks, DataCom Server Cabinets and Racks, and Wall Mount Racks

Test & Measurement

DEWESoft[®] www.dewesoft.com

24bit High Speed Data Acquisition – Any Sensor, Any Application, USB, Ethernet, or Standalone. DEWESoft X2 software – Measure, Process, Analyze, Control.

RF / Microwave

www.cpcamps.com

Broadband High Power RF Amplifiers, operating from 0.1MHz to Beyond 2GHz with power levels (pulsed and CW) from 30W to greater than 20kW. Supplementary products include combiners, dividers and couplers.

www.dbmcorp.com

Satellite Link Emulators, Carrier to Noise Generators & Synthesizers

www.elcom-tech.com

Broadband & RF Modules & Subsystems, Fast Switching Synthesizer, Tuners, Receivers to 26.5GHz, Phase Locked Oscillators to 40GHz, Low Phase Noise, VME, 19" Rack & Modules

GPS Time & Frequency

JTime![®]

MEINBERG -usa.com

www.meinberg-usa.com

IEEE1588 PTP GPS Synchronized Grandmaster & PTP Ordinary Clocks / PCI & PCI-Express Slot Cards / GPS & GLONASS Synchronized Time and Frequency Receivers / Fiber Optic Converters / GPS Signal Distribution / Analog/Digital Network Time Displays

Sensors

www.lionprecision.com

Industry Leader in High Performance Non-Contact Measurement and Sensing / Capacitive and Eddy-Current Sensors for Position-Displacement-Vibration / Complete Measurement and Data Acquisitions Systems.

www.dytran.com

Pressure Sensors, Force Sensors, Accelerometers

Chambers

www.etsolution.com.cn

Climatic Test Chambers, Compact Ultra Low Temperature Chamber, High Temperature Test Chambers
