**Electronic Enclosures & Consoles**

[www.emcorenclosures.com](http://www.emcorenclosures.com)

Modular Equipment and Network Enclosures, Modular Consoles / Security Consoles, EMI/RFI Shielded, Bellcore Qualified Seismic Racks, DataCom Server Cabinets and Racks, and Wall Mount Racks

**Test & Measurement**

**DEWESoft**<sup>®</sup> [www.dewesoft.com](http://www.dewesoft.com)

24bit High Speed Data Acquisition – Any Sensor, Any Application, USB, Ethernet, or Standalone. DEWESoft X2 software – Measure, Process, Analyze, Control.

**RF / Microwave**

[www.cpcamps.com](http://www.cpcamps.com)

Broadband High Power RF Amplifiers, operating from 0.1MHz to Beyond 2GHz with power levels (pulsed and CW) from 30W to greater than 20kW. Supplementary products include combiners, dividers and couplers.

[www.dbmcorp.com](http://www.dbmcorp.com)

Satellite Link Emulators, Carrier to Noise Generators & Synthesizers

[www.elcom-tech.com](http://www.elcom-tech.com)

Broadband & RF Modules & Subsystems, Fast Switching Synthesizer, Tuners, Receivers to 26.5GHz, Phase Locked Oscillators to 40GHz, Low Phase Noise, VME, 19" Rack & Modules

**Chambers**

[www.etssolution.com.cn](http://www.etssolution.com.cn)

Climatic Test Chambers, Compact Ultra Low Temperature Chamber, High Temperature Test Chambers

**GPS Time & Frequency**

**JTime!**<sup>®</sup>

**MEINBERG** -usa.com

[www.meinberg-usa.com](http://www.meinberg-usa.com)

IEEE1588 PTP GPS Synchronized Grandmaster & PTP Ordinary Clocks / PCI & PCI-Express Slot Cards / GPS & GLONASS Synchronized Time and Frequency Receivers / Fiber Optic Converters / GPS Signal Distribution / Analog/Digital Network Time Displays

**Sensors**

[www.lionprecision.com](http://www.lionprecision.com)

Industry Leader in High Performance Non-Contact Measurement and Sensing / Capacitive and Eddy-Current Sensors for Position-Displacement-Vibration / Complete Measurement and Data Acquisitions Systems.

**Power**

[www.powerficient.com](http://www.powerficient.com)

Custom Power Electronics, Modular UPS Systems, and PDU's

**Telemetry**

[www.semco.com](http://www.semco.com)

Receivers, Simulators, RF Multi Couplers, Down-Converters, Automated Telemetry Test Systems
