

Electronic Enclosures & Consoles

www.emcorenclosures.com

Modular Equipment and Network Enclosures, Modular Consoles / Security Consoles, EMI/RFI Shielded, Bellcore Qualified Seismic Racks, DataCom Server Cabinets and Racks, and Wall Mount Racks

Test & Measurement

www.dewesoft.com

24bit High Speed Data Acquisition – Any Sensor, Any Application, USB, Ethernet, or Standalone. DEWESoft X2 software – Measure, Process, Analyze, Control.

RF / Microwave

www.cpcamps.com

Broadband High Power RF Amplifiers, operating from 0.1MHz to Beyond 2GHz with power levels (pulsed and CW) from 30W to greater than 20kW. Supplementary products include combiners, dividers and couplers.

www.dbmcorp.com

Satellite Link Emulators, Carrier to Noise Generators & Synthesizers

www.elcom-tech.com

Broadband & RF Modules & Subsystems, Fast Switching Synthesizer, Tuners, Receivers to 26.5GHz, Phase Locked Oscillators to 40GHz, Low Phase Noise, VME, 19" Rack & Modules

Chambers

www.etsolution.com.cn

Climatic Test Chambers, Compact Ultra Low Temperature Chamber, High Temperature Test Chambers

Helen Lewter

Serving Alabama, Tennessee, Mississippi, Georgia & the Pan Handle of Florida

256-679-3391 (m) | 256-721-3375 (o) | 256-721-3994

hlewter@wa-brown.com | www.wa-brown.com

GPS Time & Frequency

www.brandywinecomm.com

Cesium Clocks – GPS Time and Frequency Receivers (SAASM Options) – IRIG Time Code Generators & Sync Clocks – Time & Frequency Distribution – Network Time Servers (NTP) – Precise Time Protocol (PTP) Grand Master Clocks – Time Displays – Precision Time Measurement Instruments – and the Industry's Largest selection of Computer Bus Cards.

Sensors

www.lionprecision.com

Industry Leader in High Performance Non-Contact Measurement and Sensing / Capacitive and Eddy-Current Sensors for Position-Displacement-Vibration / Complete Measurement and Data Acquisitions Systems.

www.dytran.com

Pressure Sensors, Force Sensors, Accelerometers

Power

www.powerficient.com

Custom Power Electronics, Modular UPS Systems, and PDU's

www.regatron.com

Primary switched, modular, unidirectional DC power supplies. Two Quadrant high power, modular, bidirectional (source & sink), regenerative, modular DC power sources. High power, modular, regenerative DC Electronic Loads. 3-in-1 high power, 30kVA to 1000kVA full 4 Quadrant, bidirectional (source & sink), regenerative AC Grid Simulator, regenerative AC voltage amplifier & 3-phase regenerative AC Electronic load

Telemetry

www.semco.com

Receivers, Simulators, RF Multi Couplers, Down-Converters, Automated Telemetry Test Systems
