IEEE1588 PTP GPS Synchronized Grandmaster & PTP Ordinary Clocks / PCI & PCI-Express Slot Cards / GPS & GLONASS Synchronized Time and Frequency Receivers / Fiber Optic Converters / GPS Signal Distribution / Analog/Digital Network Time Displays

Sensors

www.lionprecision.com

Industry Leader in High Performance Non-Contact Measurement and Sensing / Capacitive and Eddy-Current Sensors for Position-Displacement-Vibration / Complete Measurement and Data Acquisitions Systems.

www.jewellinstruments.com

Full line of Sensors, Tilt, Motion; Accelerometers (MEMS); Forced Balanced Inclinometers (MEMS); Digital Inclinometers

Power

www.regatron.com

Primary switched, modular, unidirectional DC power supplies. Two Quadrant high power, modular, bidirectional (source & sink), regenerative, modular DC power sources. High power, modular, regenerative DC Electronic Loads. 3-in-1 high power, 30kVA to 1000kVA full 4 Quadrant, bidirectional (source & sink), regenerative AC Grid Simulator, regenerative AC voltage amplifier & 3-phase regenerative AC Electronic load

Automatic Test Equipment (ATE), Magnet Power, Hot Swappable, Mission Critical / Fault Tolerant, OEM and Modular Power Supplies

Test & Measurement

www.spirent.com/solutions

Spirent is the leading global provider of testing, assurance, analytics, and security solutions. From physical and virtual networks and data centers to mobile communications and connected vehicles, Spirent helps the world communicate and collaborate faster, better, and more securely.

www.transcat.com

Transcat offers a unique approach to our position as a leading distributor of test, measurement and controls instruments by supporting inventoried lines with the ability to calibrate and test instruments at the point of sale while offering repair and rental services for these products.

RF / Microwave

www.cpcamps.com

Broadband High Power RF Amplifiers, open Beyond 2GHz with power levels (pulsed and CW) from 30W to greater than 20kW. Supplementary products include combiners, dividers and couplers.
